Fellow Members

We know you have been inundated with information regarding the proposed merger. This will be my final letter to you all.

Next Monday night September 16, 1996, marks a day that you can contribute to forming the ***Greatest Team in the History of Aussie Rules.***

Despite the message being portrayed by some regarding the performances of the Board and our excellent staff, we have managed to produce a debt free club. This has been achieved through a period of mediocre on field performance over a prolonged period. Membership and sponsorship remains comparable to any other club similarly placed.

But that's not enough. We want on field success and a guaranteed rock solid financial future.

We have received messages of support from many past players, members and supporters like Max Walker, Kevan Gosper, Ron Walker, Steve Moneghetti, Alan Stockdale, Ray Groom, Andrew Ramsden and Rob Gell.

You are not alone in wanting to be part of a winning team.

If you haven't joined the pro-merger team yet, please send your proxy form in today and give a yes vote for success.

Yours faithfully,

I J Ridley
